1. The acquisition of e-resources will be prioritized. However, print and non-print library materials may still be recommended.
2. Provide the following material information:
Title, Author/Editor, and Copyright Year.
3. Indicate the following recommender's information: Name, Patron Type (administrator, faculty member, student, etc.), and Faculty/College/Department/Institute.
4. A notification of the status of your request will be sent.
