

*Available for Academic and Administrative Officials,
Academic Staff, and Graduate students*

What is turnitin?

Turnitin is an **originality checking and plagiarism prevention service** that checks your **writing for citation mistakes or inappropriate copying**. When you submit your paper, Turnitin compares it to text in its massive database of student work, websites, books, articles, etc.

Retrieved from APUS Library <https://apus.libanswers.com/writing/faq/2160>

Onsite Use

(Available for Academic and Administrative Officials, Academic Staff, and Graduate students)

Personally run your manuscripts at the Central Library -- **Graduate School Section (3/F)**.

For concerns and clarifications, please contact Mr. Edward H. Puzon (ehpuzon@ust.edu.ph).

For undergraduate students' papers

Academic staff may personally run their undergraduate papers and other manuscripts at the Central Library -- **Science and Technology Section (2/F)**.

For concerns and clarifications, please contact any of the following librarians:

- Ms. Marivic G. Usita (mgusita@ust.edu.ph)
- Ms. Kristi Ma. Fevie V. Macasaet-Recinto (kvmacasaet@ust.edu.ph)
