

UST Miguel de Benavides Library New Normal Services

Remote Access to E-Resources

Access the library's e-resources remotely 24/7 using your active library account.

Current Awareness

Informs the users of the library's new acquisitions and promotes its collections through its website and social media pages.

Grammarly

Grammarly premium account may be requested by Faculty members, currently enrolled graduate and graduating undergraduate students.

Online Library User Education

The library conducts library orientation, e-resources tutorial, and specialized instruction to teach library research skills and promote information literacy.

Suggest a Purchase

Help enhance the library's collection by recommending titles for purchase.

Turnitin

Faculty members and graduate students may request to run their research papers to check for originality through the Turnitin software.

Document Delivery

Get full-text electronic journal articles and book chapters from alternative sources on top of the library's subscribed databases.

Scanning various pages from the library's printed collection, taking strict consideration of the copyright law, is also under this service.

Borrowing of Library Materials

Check out printed books from the library through online requests following the Circulation Policy.

Books may be picked up personally or through a representative at the designated pick-up location.

Ask a Librarian

Reference assistance is provided via online chat, email, phone call, and virtual appointment.

Talk to a librarian in real-time through the **Library Virtual Office**, from Monday to Saturday, 8:00 am to 8:00 pm.

Returning of Library Materials

Return books at the designated book drop stations.

Books may be returned personally or through a courier service.

**Visit the library website at <http://library.ust.edu.ph/> for more information.*
